

PENNSYLVANIA NOTICE

An Insurance Company, its agents, employees, or service contractors acting on its behalf, may provide services to reduce the likelihood of injury, death or loss. These services may include any of the following or related services incident to the application for, issuance, renewal or continuation of, a policy of insurance:

1. Surveys;
2. Consultation or advice; or
3. Inspections.

The "Insurance Consultation Services Exemption Act" of Pennsylvania provides that the Insurance Company, its agents, employees or service contractors acting on its behalf, is not liable for damages from injury, death or loss occurring as a result of any act or omission by any person in the furnishing of or the failure to furnish these services.

The Act does not apply:

1. If the injury, death or loss occurred during the actual performance of the services and was caused by the negligence of the Insurance Company, its agents, employees or service contractors;
2. To consultation services required to be performed under a written service contract not related to a policy of insurance; or
3. If any acts or omissions of the Insurance Company, its agents, employees or service contractors are judicially determined to constitute a crime, actual malice, or gross negligence.
