- A.** For policies with fixed terms in excess of one year, or policies with no stated expiration date, except as provided in Paragraph **B.**, the following applies:
 The premium shown in the Declarations was computed based on rates and rules in effect at the time the policy was issued. On each renewal or continuation of this policy, we will compute the premium in accordance with our rates and rules then in effect.
- B.** For policies with fixed terms in excess of one year, where premium is computed and paid annually, the following applies:
 - 1.** The premium shown in the Declarations was computed based on rates and rules in effect at the time the policy was issued. Such rates and rules will be used to calculate the premium at each anniversary, for the entire term of the policy, unless the specific reasons described in Paragraph **2.** or **3.** apply.
 - 2.** The premium will be computed based on the rates and rules in effect on the anniversary date of the policy only when, subsequent to the inception of the current policy period, one or more of the following occurs:
 - a.** After issuance of the policy or after the last renewal date, discovery of an act or omission, or a violation of any policy condition, that substantially and materially increases the hazard insured against, and that occurred subsequent to inception of the current policy period;
 - b.** A material physical change in the property insured, occurring after issuance or last anniversary renewal date of the policy, causes the property to become uninsurable in accordance with underwriting standards in effect at the time the policy was issued or last renewed; or
 - c.** A material change in the nature or extent of the risk, occurring after issuance or last anniversary renewal date of the policy, which causes the risk of "loss" to be substantially and materially increased beyond that contemplated at the time the policy was issued or last renewed.
 - 3.** If, subsequent to the inception of the current policy period, the Limit of Insurance is increased, or Additional Coverages or Causes of Loss are insured, the rate and rules in effect at the time of the change will be applied to calculate the premium and will continue to apply to the change at subsequent anniversary dates.
