LIMITATION – NO STACKING OF OCCURRENCE LIMITS OF INSURANCE

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following condition is added to **Section IV. – Commercial General Liability Conditions:**

Two or More Coverage Forms or Policies Issued By Us

If this policy and any other policy, policies or coverage form(s) issued to you by us or any of our affiliated companies apply to the same or related damages, the most that will be paid by us and our affiliated companies either individually or collectively for the sum of all those damages is the single largest applicable Each Occurrence Limit or similar per occurrence limit of insurance available under any one of those policies or coverage forms. Same or related damages include the continuation of injury or damages from a prior policy period into a subsequent policy period, or any injury or damage resulting from the same cause or "occurrence."

However, this provision does not apply to umbrella or similar policies or coverage forms that are purchased specifically to apply in excess of another policy or coverage form that is scheduled as underlying insurance. In no event will coverage be provided during the policy period after (1) the applicable aggregate Limit of Insurance under any one coverage form or policy has been exhausted, or (2) the applicable aggregate Limit of Insurance under any one coverage form or policy would have been exhausted had all covered claims been submitted under that one coverage form or policy rather than under two or more coverage forms or policies.

The terms of this endorsement will govern as respect the application of any limits of insurance. If this policy or coverage form contains any other language regarding limits of insurance that is in conflict with the terms of this endorsement, such other language is subject to the terms of this endorsement.
